

Request for Reconsideration

Applicants have placed the current patent application in a state believed to be suitable for allowance, and with all rejections/objections from the Examiner being fully addressed and rebutted.

Applicant respectfully requests reconsideration of the Application based on the foregoing Amendment and Response. Applicant's attorney stands ready to assist the Examiner in any manner necessary to bring this patent application to allowance and encourages the Examiner to call if there are any questions or if any informal Examiner amendments can be made to bring this application to issuance.

Respectfully submitted,
